

BACHELOR OF ISLAMIC REVEALED KNOWLEDGE & HERITAGE

USUL AD-DIN & COMPARATIVE RELIGION

PROGRAM SYNOPSIS

This programme offers students to have comparative approach in the study of Islamic Heritage, Thought and Other Religions on the basis of Usul al-Din. It fulfills the vision which is to promote the Islamic sciences relevant to contemporary disciplines of study, and the mission which is to develop an Islamically based integrated holistic approach to education and career.

It also offers courses in line with nation's aspirations such as unity among the races, religious harmony, and moderation in contemporary religious discourse. In addition, it meets the needs of global importance such as providing proper understanding of the worldview of Islam and endeavoring to regulate global peace and harmony through an intellectual Islamic discourse with other faiths and ideologies.
